Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative wished to be given questions or suggestions as to how the proposed claims would overcome the USC 101 rejection or indefiniteness issues as applied to the previous Office Action. Some terms used in the proposed claims did raise some minor clarifications, and Applicant's representative was notified to that effect. It is also mentioned to Applicant's rep. that, as proposed, the claims did look better in terms of satisfying the statutory requirements of USC 101.
